Information & Communication
Technology (IGCSE)
Biology (IGCSE)
Physics (IGCSE)

Currently:

I am part time studying web development in order for me to become a web developer.

Skills

I like working with people, I am excellent at Maths and good with children as I have many younger siblings. I believe I am reliable, diligent and can show initiative in a working environment. My interests are gardening, being creative and spoken word. I plan on attending UCTMy interests are gardening, being creative and spoken word. I plan on attending UCT to study Engineering and am currently looking for part time employment whilst I complete my AS levels in Chemistry.
